

OUR NEW YEAR RESOLUTION

January 2016

Your family history trust has got off to an excellent start!

We have completed a major redesign of this website, bringing it right up to date with current best practice, making it user friendly for tablets and smart phones. In part this is to help us talk to younger generations.

Our **Books for Sale** now has a shopping cart facility allowing multiple purchases. Also we now also offer Holywells and Margaret Catchpole greeting cards and a few second hand books. Please have a look; your custom helps our work.

The total number of people featured on the family tree is approaching 10,000 and our improved 'Contact Us' facility is bringing lots questions, corrections and additions.

We do not pursue numbers for the sake of it but we do strive to be accurate.

We wish all our visitors a happy *and interesting* New Year!
