A GENEROUS DONATION at Christmas

January 2021

The Trust is delighted to announce that it has received a most generous donation from a close family member to enable the collection to be catalogued before it goes to Knebworth.

Cataloguing will take place in the first half of 2021 and will be hugely helpful to the new custodians.

It should be noted that the cataloguing process will take up a lot of the Keepers' time and consequently queries and correspondence may not be answered as quickly as in the past.

Initially cataloguing will be on Excel which is compatible with CALM into which it will be transposed on arrival. A number of test entries will be submitted at the start to ensure that the results are as required.

The Trustees wish to express their profound and heartfelt thanks to the donor.
